UNIVERSITY**

A member of the American InterContinental University System

School of Business Student Achievement Results

American InterContinental University System acquired the assets of California Southern University ("CalSouthern") on July 1, 2022. As of that date, CalSouthern students are classified as students who transferred to AIUS. This disclosure will include calendar year retention rates in future years when CalSouthern students reach the included cohort.

This document is currently being updated and will be posted by mid-2025.
